	<p style="text-align: right;">متن شماره ۲</p> <p>Culture is a system of shared beliefs that are common in a society. Often, we think of the food, music, clothing, and holidays that are common in a society as its culture, but these are only some of the elements. Other elements include customs, values, behaviors, and artifacts. Culture is, therefore, a combination of thoughts, feelings, attitudes, and beliefs.</p> <p>With more than 190 countries and 7 billion people on earth, it is not hard to imagine that many cultures exist. No matter where you go around the world, you will face people, lifestyles and cultures that are different to what you have. People around the world have very different lives and ways of living. They have different beliefs and customs. So they usually live and behave according to what they believe to be right and wrong.</p> <p>For those who want to learn about other cultures, but do not know where to start, a great place to start is reading about the cultures that interest them. In today's world if we all are able to know about other cultures, and respect <u>them</u>, life would be easier for most of us.</p> <p>36) Culture is only a combination of food, clothing and holidays. a. True b. False</p> <p>37) Respecting other cultures often makes our lives easier. a. True b. False</p> <p>38) People around the world have very different lives. The antonym for <u>different</u> is</p> <p style="padding-left: 40px;">a. unimportant b. false c. similar d. common</p> <p>39) The pronoun "them" in the last paragraph refers to</p> <p style="padding-left: 40px;">a. cultures b. food c. beliefs d. lifestyles</p> <p>40) How can we start learning about other cultures?</p>
