Leopards, giraffes and lions from Africa, tigers and elephants from Asia and some kangaroos from Australia. Also we keep some great animals from Iran such as Iranian cheetahs and zebras. Iranian zebras live in the plain of Tooran in the center of Iran. Asian or Iranian cheetah is an endangered animal. They are very fast animals. There are only about 70 of them in east and central plains of Iran. Cheetahs are very good hunters. But there are not many animals to hunt in wildlife these days.
