۱۵		<p>متن زیر را بخوانید و به سؤالات پاسخ دهید.</p> <p>Pablo Picasso was a famous Spanish artist. He grew up in Spain where he was born on October 25, 1881. Picasso's father was a painter and art teacher. He helped his son to develop <u>his</u> artistic ability. Pablo liked to draw from an early age. From the age of seven, Picasso had formal art lessons from his father. When Picasso was ten years old, his family moved to Barcelona, Spain, where Picasso took an exam to attend a famous art school. The exam was going to take one month, but Picasso finished it in one day! A few years later he went to another school in Madrid. However, Picasso was bored with the old teachings of art school. He didn't want to paint like people hundreds of years ago. He wanted to create something new. He later moved to Paris, where he worked as an artist and created his wonderful drawings. During this time, he created his famous 'Blue Period' works. In 1907, Picasso painted a painting <u>which</u> is known to have been the first painting in the 'modern art' movement. Artists from all over the world travelled there to see this painting. In 1907, Picasso began to experiment with a new style of painting. He is best known for creating the Cubism style. One of the most interesting things about Picasso is that he was the first artist to be famous during his own lifetime. He was one of the most important artists of the twentieth century. He passed away on April 8, 1973.</p> <p>گزینه درست را انتخاب کنید.</p> <p>47) The underlined word "his" in the second line refers to .....</p> <p>1) Picasso                      2) Picasso's son                      3) father                      4) teacher</p> <p>48) What is the main idea of the passage?</p> <p>1) Picasso and his "Blue Period" works                      2) Picasso's early life</p> <p>3) Picasso's life and works                      4) a New Style of painting</p> <p>درست یا نادرست؟</p> <p>49) The word "which" in the second paragraph refers to "painting".                      True <input type="checkbox"/>                      False <input type="checkbox"/></p> <p>50) Picasso's father taught him art when he was seven years old.                      True <input type="checkbox"/>                      False <input type="checkbox"/></p> <p>به سؤال‌های زیر پاسخ دهید.</p> <p>51) Was Picasso interested in the old teachings of art school?</p> <p>52) Where did Picasso create his famous "blue period" works?</p>				۵ نمره
