- **Face-off:** At the beginning of the game and after a goal, there's a face-off at the center of the rink. The referee drops the puck, and players from each team try to get it.

- **Passing and Shooting:** Players use their sticks to pass the puck to their teammates and shoot it into the net.

- **Skating:** You move around the ice rink by skating on your ice skates.

- **Goalie:** The goalie has a special job to defend the net.

- **Teamwork:** Hockey is a team sport, so teamwork is quite important.
