1 *The Lion, the Witch and the Wardrobe* is set in Narnia. This is a fantasy world. 2 Some people say the film is funny and some say it's clever. Personally, I didn't think it was either. 3 *The Life of Pi* tells the story of a boy who is the only survivor of a shipwreck. 4 At 3 hours and 40 minutes, this film is rather long, but this didn't soil my overall enjoyment.
