

Left And Right

Memories follow me left and right
I can feel you over here, I can feel you over here
You take up every corner of my mind (what you gon' do now?)

Ever since the d-day y-you went away (no, I don't know how)
How to erase your body from out my brain (what you gon' do now?)
Maybe I should just focus on me instead (but all I think about)
Are the nights we were tangled up in your bed

Oh no (oh no)
Oh no (oh no)
You're goin' 'round in circles
Got you stuck up in my head, yeah

Memories follow me left and right
I can feel you over here, I can feel you over here
You take up every corner of my mind
Your love stays with me day and night
I can feel you over here, I can feel you over here
You take up every corner of my mind (what you gon' do now?)

Ever since the d-day y-you went away (someone tell me how)
How much more do I gotta drink for the pain (what you gon' do now?)
You did things to me that I just can't forget (now all I think about)
Are the nights we were tangled up in your bed

Oh no (oh no)
Oh no (oh no)
You're going 'round in circles
Got you stuck up in my head, yeah

Memories follow me left and right
I can feel you over here, I can feel you over here
You take up every corner of my mind (of my mind)
Your love stays with me day and night
I can feel you over here, I can feel you over here
You take up every corner of my mind (what you gon' do now?)

Did you know you're the one that got away?
And even now, baby, I'm still not okay
Did you know that my dreams, they're all the same
Every time I close my eyes?

Memories follow me left and right
I can feel you over here, I can feel you over here
You take up every corner of my mind (what you gon' do now?)
Your love stays with me day and night
I can feel you over here, I can feel you over here
You take up every corner of my mind (what you gon' do now?)
(Whoa)
I can feel you over here, I can feel you over here
You take up every corner of my mind (what you gon' do now?)

What A Wonderful World

I see trees of green, red roses too

I see them bloom for me and you

And I think to myself, what a wonderful world!

I see skies of blue and clouds of white

The bright blessed day, the dark sacred night

And I think to myself, what a wonderful world!

The colors of the rainbow so pretty in the sky

Are also on the faces of people going by

I see friends shaking hands saying, "How do you do?"

They're really saying, "I love you"

I hear babies cry, and I watched them grow

They'll learn much more than I'll ever know

And I think to myself, what a wonderful world!

Yes, I think to myself, what a wonderful world
