CITY YOUTH CLUB

A place for all young people!

Are you 10–18 years old?
Open Monday to Friday, 5 pm–8 pm.
Only £5 a year.

WELCOME TO THE CYC BLOG. FIND OUT WHAT'S GOING ON!

I'm Tom. There's a living room area at the club. I like sitting on the sofas and **talking to friends**. I've got lots of friends at the club. I'm happy here.

I'm Sam. There's a skateboard park at the club and I love **skateboarding**. I haven't got a skateboard, but that's OK. The club's got skateboards for people to use.

I'm Lily. I like **doing arts and crafts**. We can paint pictures and make things, too. Mark is a helper in the arts and crafts room. He's really nice. People talk to him about their problems.

I'm Kate. There's a coffee shop and you can buy food and drink there. I help in the coffee shop on Fridays.

I'm Rose. I like **rock climbing** and there's a big climbing wall at the club. You can do rock climbing on Mondays and Wednesdays.

I'm Mark. I work at the club on Tuesdays and Thursdays. I'm a volunteer – I don't get money for my work. I like **helping people**.

The background is a collage of four distinct images. The top-left image shows a large, rounded tree with yellowish-green foliage against a light blue sky. The top-right image features a sharp, dark mountain peak. The bottom-left image depicts a toucan with a large red beak perched on a tree branch. The bottom-right image shows a river scene with a small boat and a person in the water. A blue rectangular banner with a white border is positioned diagonally across the center of the collage.

Food Chains: Understanding the Basics

A food chain is like a line that shows who eats whom in an ecosystem. It helps us understand how energy and nutrients flow from one organism to another.

What is a Food Chain?

A food chain is a simple way to show how living things are connected because they eat each other.

It starts with plants, which are called producers because they make their food using sunlight, water, and nutrients from the soil.

Then, animals eat these plants or eat other animals that have eaten plants.
