Do you remember any thing from story 1 and story 2?

Story 3

1

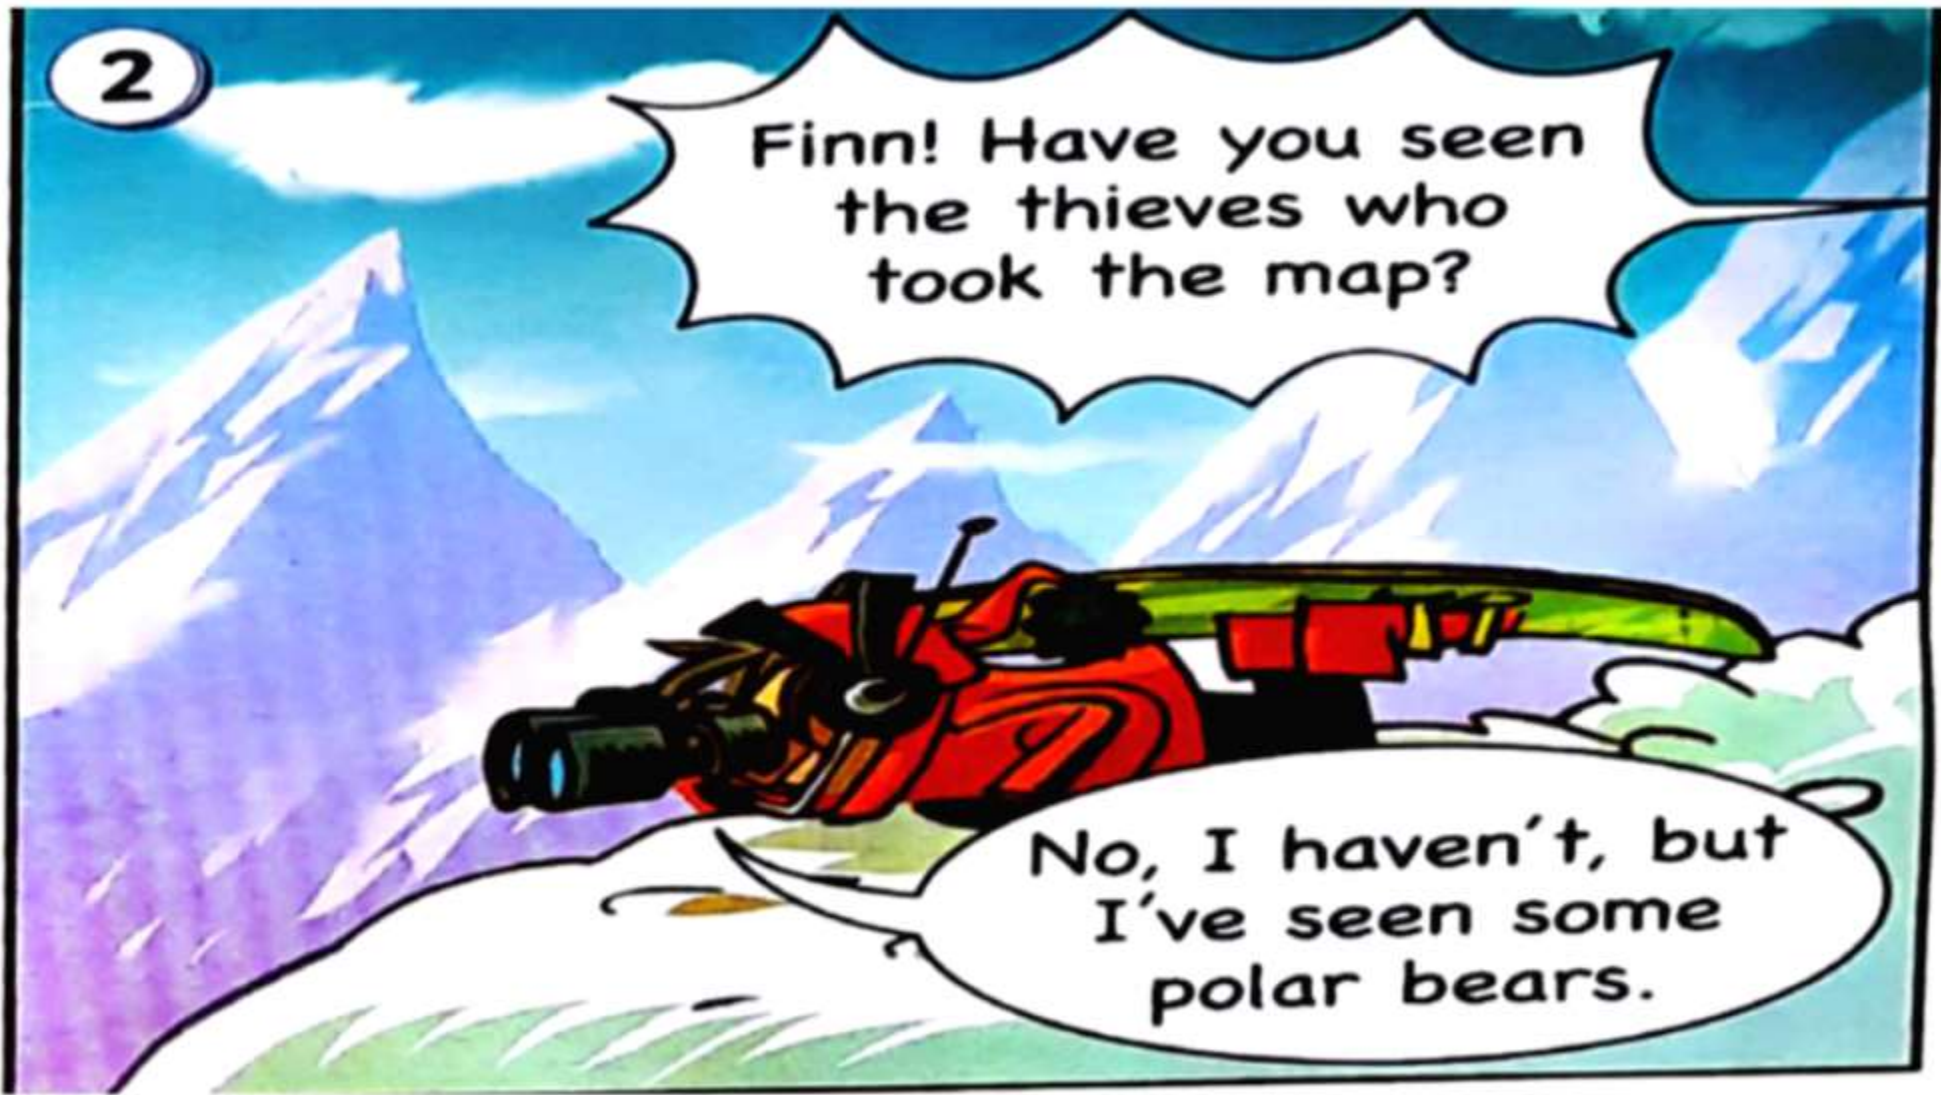

Look at the picture and tell the story

2

Finn! Have you seen  
the thieves who  
took the map?

No, I haven't, but  
I've seen some  
polar bears.

3

Hey, Dylan. Can polar bears walk on two legs?

No, they can't.

4

And can polar bears read?

No! Of course they can't!

Hey! They're reading a map!

5

Finn! Those aren't  
bears! They're  
the thieves!

I know!  
I'm going  
down there!

6

Oh, no! That wasn't  
a good idea!

Finn! What  
have you done?

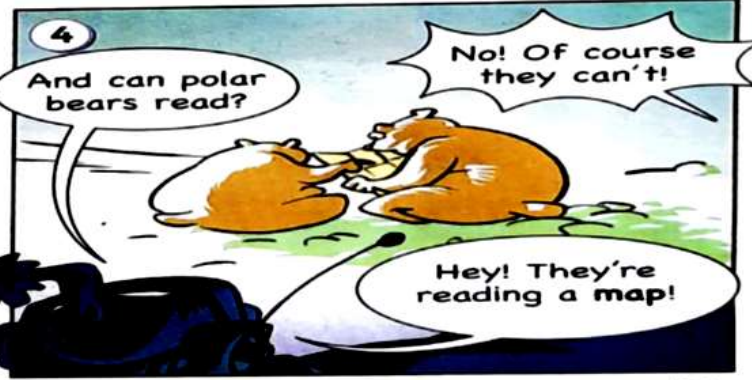

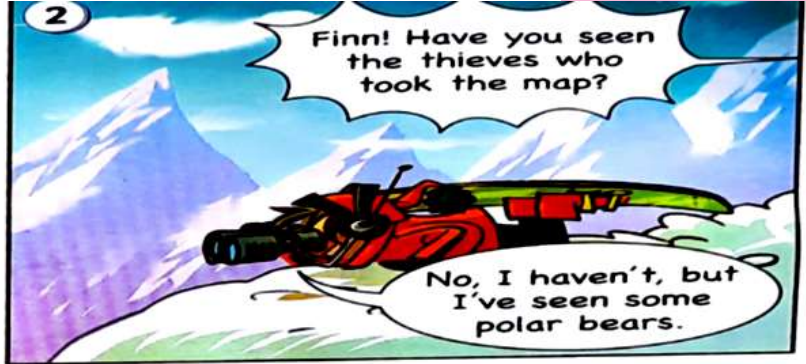

**THHAWUMP!!!**

1

Listen and read. What has Finn seen outside?  
Then act out.

**TTHHHWUMPE!!!**

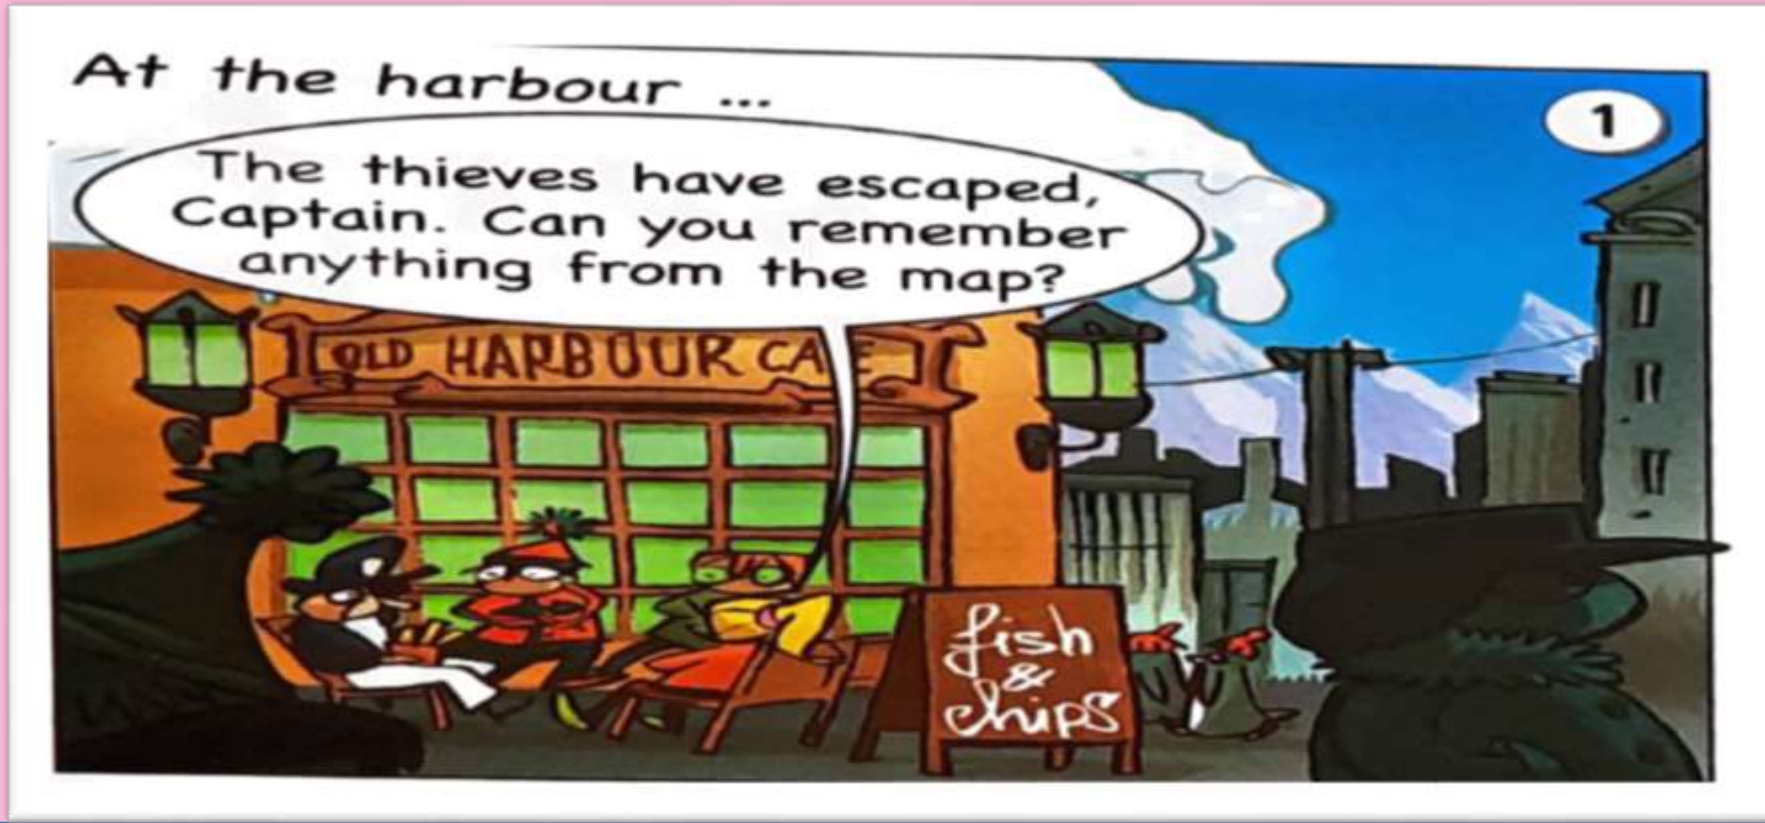

Let's act out

A pink room with a blue cloud containing the text 'Story 4' and three small blue circles. The room has a pink wall and a dark pink floor. The cloud is light blue with a dark blue outline. The text 'Story 4' is written in a purple, rounded font. Three small blue circles are positioned in the bottom left corner of the room.

# Story 4

1

Look at the picture. Tell the story.

2

I need to think.  
Oh, yes! There  
was a forest ...

... and there was a statue.

3

4

And there was a pyramid, too.

A pyramid? There aren't any pyramids on Ice Island.

5

I'm sorry. That was a different map.

Oh! Now I remember! The treasure is in a cave!

A cave? Are there any caves on the island?

6

Oh, no!  
More snow!

Snow! There's  
a cave on Snow  
Mountain! We have  
to go there!

2

Listen and read. Where do the children have to go?  
Then act out

A blue sticky note with a white border is centered on a pink background. The note has a folded top-right corner and a folded bottom-left corner. The text "Let's act out" is written in a dark blue, casual, handwritten-style font on the note. The pink background has a subtle gradient and is framed by a dark pink border.

Let's act out
