

20 Read and match.

My name's Amy. I've got six cousins. They're all different.

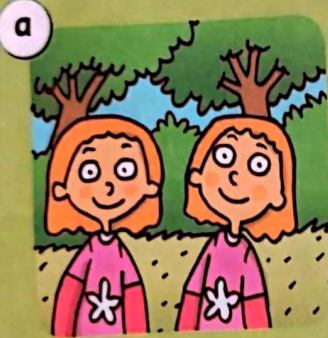

1 This is my uncle and aunt with my cousin Harry. Harry is a baby. They live in Australia!

2 These are my cousins Ella and Jack. Ella is a girl and Jack is a boy. They're with their parents in this picture. They live in a house.

3 These are my cousins Daisy and Louise. They're twins! They live in a flat, but in this picture they're in the garden.

4 And this is my cousin Matt. He's eight years old. He lives in Brazil. He lives in a treehouse!

21 Ask and answer.

How many cousins have you got?

Where do they live?

What are their names?

How old are they?
