ramp, pulley

and scaffolding

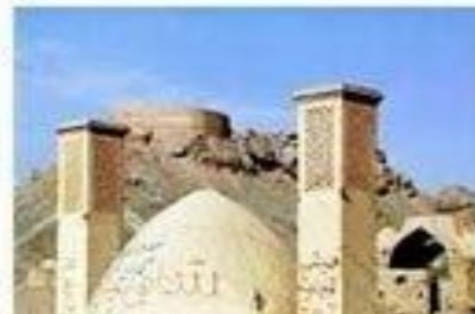

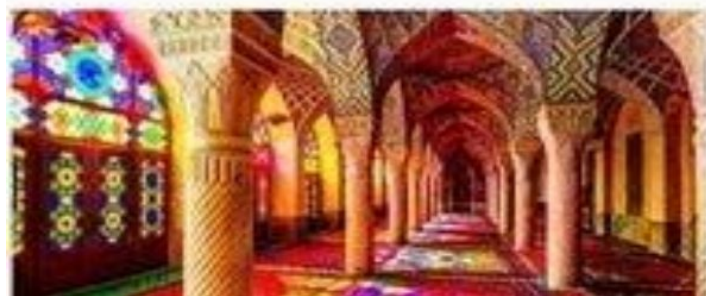

old architecture

modern architecture

attractions

A blue speech bubble with a black outline and a tail pointing downwards and to the left. It contains the text "Modern architecture attractions are better or old ones?" in yellow.

Modern
architecture
attractions
are better or
old ones?

A blue speech bubble with a black outline and a tail pointing downwards and to the left. It contains the text "Let's talk!" in yellow.

Let's talk!

What is modern architecture?

- 1.
- 2.
- 3.

1

Styles of buildings in last 100 years.

2

It's about new ideas,
simple shapes,

open spaces,
eco friendly ideas.

3

They make buildings that are
beautiful,
useful,
and surprising.
